

Snowball Quilt Block

Requirements

1 x 12" square of bright fabric
4 x 4 ½" square of either black or white fabric

Please use a ¼" seam throughout

Steps

1. Cut 1×12" square from your bright fabric and 4×4 ½" squares from your black or white fabric

2. On the wrong side of the 4.5" squares draw a diagonal line from corner to corner.

3. Pin the small squares to the corners of your 12" square with your diagonal line across the corner of the block. Stitch along the drawn line and ¼" from the line towards the corner.

4. Cut along original line to produce 4 triangles and the block

5. Press seams to darker fabric and trim half square triangles to 4" and blocks to 11.5"
